

SPARE PARTS ORDERS

Ace Computers fully supports the Mustang and Raptor notebooks with a full spare parts program both during and after the warranty period.

Some common items often sought for the units include:

- NP-9176 82WHr battery – interchangeable among all three units
- ACA-9176 330W AC Adapter with power cord

These items can be found on the NASA SEWP V and GSA Schedules catalogs for Ace Computers or you can call 1-877-ACE-COMP and speak to a live person!
