

## In-Stock Servers, Workstations Ready-to-Ship Announced by Ace Computers

CHICAGO, U.S., January 30, 2019 **Ace Computers** just announced that they are offering a complete line of ready-to-ship, in-stock servers that carry a 3-year warranty. This technology features carefully selected hardware configurations based on sales history and client feedback and is aggressively priced to provide best-in-industry value.

An example is a powerful 2U server that is ideal for multiple applications and includes the following:

1. Dual 10GbE
2. Dual Intel Xeon Bronze 3104 CPUs
3. 16GB DDR4 ECC RDIMM (2x 8GTB)
4. 2x 120GB SATA SSD-rear hot-swap access
5. RAID 1 for OS (no operating system installed)
6. 1x 4TB Enterprise SATA HDD (512N, 7200RPM)
7. 11x open drive bays
8. SAS3 RAID, 2GB cache (all RAID modes supported)
9. 1200W 80+ titanium RPS with RAILS
10. 3-year warranty
11. Ships in 48 hours with preferred shipping
12. And much more.

These ready-to-ship servers are fully equipped with the latest technology and provide unparalleled performance and efficiency while reducing IT operation expenditures. This cost-effective approach allows the company's clients to take control of their servers and data center operations, configuring for current needs and incorporating future scalability.

Ace Computers also offers ready-to-ship workstations.

Contact Ace Computers for spec sheets or to discuss upgrades to the standard configuration. Ace Computers' in-stock and ready-to ship servers and workstations can easily be ordered through the company's online
