

Microsoft Surface Pro 9 SCR

The go everywhere, work anywhere, wherever the day takes your team, 2-in-1 that performs like a laptop: Microsoft Surface Pro 9 SCR. The Windows 11 Secured-core PC and virtually edge-to-edge 13" PixelSense™ touch display with true-to-life color come together in a light, low-profile form to give your team the power they need for any path.

BENEFITS

Ready for use in Government organizations with integrated PIV/CAC reader.

Whether you need to physically disable cameras/radios or want to standardize UEFI configuration on your Surface devices, **Surface Enterprise Management Mode (SEMM)** provides a scalable deployable utility to meet this need.

More replaceable components with 3yr next business day onsite extended hardware service through ITG. Uplifts to 4yr and 5yr service and/or accidental damage protection are available.

Surface Pro 9 with 12th Gen Intel® Evo™ for ultra-fast Thunderbolt™ 4 ports

FIPS 201 compliant smart card reader

Integrated HDMI port

Surface Pro 9

1 System software uses significant storage space. Available storage is subject to change based on system software updates and apps. 1 GB = 1 billion bytes. 1 TB = 1,000 GB. See [Surface.com/Storage](https://surface.com/Storage) for more details.
2 Components available through your Surface Commercial Authorized Device Reseller. Components can be replaced on-site by a skilled technician following Microsoft's Service Guide. Microsoft tools (sold separately) may also be required for repair. Opening and/or repairing your device can present electric shock, fire and personal injury risk and other hazards. Use caution if undertaking do-it-yourself repairs. Device damage caused during repair will not be covered under Microsoft's Hardware Warranty or protection plans.
3 Requires Dolby Vision® encoded content and video.
4 Weight not including Surface Pro Signature Keyboard and Surface Slim Pen 2 (sold separately).
5 Battery life varies significantly based on usage, network and feature configuration, signal strength, settings and other factors. See aka.ms/SurfaceBatteryPerformance for details.
6 Sold separately.
7 Tactile signals with Surface Slim Pen 2 can be experienced on some applications on Surface B&P running Windows 11.
8 Activation required. If your device is managed by your organization's IT department, contact your IT administrator for activation. After 30 days, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges. See <https://aka.ms/m365businessrialinfo>.
9 For more information on registration in other markets check – link to be provided post GA
10 Customer Replaceable Units (CRUs) are components available for purchase through your Surface Commercial Authorized Device Reseller. Components can be replaced on-site by a skilled technician following Microsoft's Service Guide. Opening and/or repairing your device can present electric shock, fire and personal injury risks and other hazards. Use caution if undertaking do-it-yourself repairs. Device damage caused during repair will not be covered under Microsoft's Hardware Warranty or protection plans. Components will be available shortly after initial launch; timing of availability varies by component and market.
11 Colors available on selected models only. Available colors, sizes, finishes, and processors may vary by store, market, and configuration.
12 Microsoft's Limited Warranty is in addition to your consumer law rights.
