

# ACE® VISION VS-UDRB7X

The Vision Series is a wide range of desktops that bring high-powered systems right to your office. Whether you are at home, in an office, lab, or more; our systems are sure to exceed anything you could imagine. The Vision series is always equipped with the latest technology, never falling behind for our customers. We have been providing desktops to schools, offices, and government agencies for over 40 years. This large span of time has allowed us to perfect our craft for our clients, each its own criteria and price range. With these requirements in mind, Ace Computers created the Vision series; desktops for all. [sales@acecomputers.com](mailto:sales@acecomputers.com)
